**About Amaro**

Amaro is an herbal liqueur that can be sipped on its own or swirled into a cocktail. It is made from infusing a neutral base spirit, such as a grape or grain, with a blend of spices, herbs, roots, and flowers. With the help of popular cocktails, such as the Aperol Spritz or Negroni, a variety of different types of amaro have been quickly popping up on restaurant menus and in personal liquor cabinets across the country. While amaro translates to “bitter” in Italian, its flavor can vary widely from sweet to umami. Fast Penny Spirits, Amaranco and Amaranco Bianca, offers a balance of bitter and herbaceous.
